20 UNITED NATIONS
12 INTERNATIONAL YEAR
OF CO-OPERATIVES
We build a better world

Dear Members, Colleagues,

Much and many apologies for the lateness of this notice this was in part due to illness on my part during part of May and into June, and obtaining a suitable speaker for our meeting.

Fortunately Andrew North most kindly agreed at very short notice (IE: at Day conference at Exeter on Saturday 23rd June!!) to give talk or get another of his team to stand in if he cannot do it he (as he is in Cornwall during day)

This meeting takes place during Co-operative Fortnight and during our important Year United Nations sponsored International Year of Co-operation

We hope if members support the officers and agree it maybe possible have some sort of Campaign Event to mark **I.Y.C** later this year.

Note: As meeting will be held during “**Co-operative Fortnight**” at end of meeting some fair-trade wine and nibbles to be served.

Note:

Please let us know if you if are attending to help with catering!!

Thank you

County Elections 2013 Candidates wanted !!

Following the successful elections where labour/Co-op candidates did very well in the West gaining control in Exeter and Plymouth ,next years County elections are important in building on that ,and will be one of few times not held along with District or General Elections!!, the South West Local Government panel is open and we are looking for nominations it should be noted that existing Labour/Co-op Councillors need not complete a nomination form as we are running rolling panel and are already on it, also if you applied to panel in 2012 you do not need to complete a form.
